## Alberta Fencing Association REGISTRATION FEES

Competitive	\$45.00
Associate	\$12.00
Club Fee:	\$100.00

**COMPETITIVE** membership allows the member to take part in all Alberta Fencing Association circuit and non-circuit events, as well as Canadian Fencing Federation sanctioned tournaments. A new Competitive member is awarded a passport and passport number upon payment of the required annual fee, as established from year to year by the Board of Directors. A Competitive member will be included in both the CFF Domestic rankings and the Alberta Circuit rankings. Competitive members are eligible for positions on the Provincial Team, and funding for coaching and referee development.

**ASSOCIATE** membership is available for fencers who participate in club practices, compete in events that are U11 and younger, and/or compete in non-circuit events only, as well as any individual who takes part in a one-time clinic, camp or class hosted by the club, volunteers, family members, executive members, coaches, and officials. Associate members will be included on the CFF Domestic rankings, but cannot participate in Alberta Circuit events, and will not be included on the Alberta Circuit rankings, even if they participate in point-garnering events out of province. Individuals in this category are only eligible for coaching or officiating development funding. Any coach registered under this category must provide a copy of his/her criminal record check to the head office for insurance purposes.

**Upgrades** are possible if a member wishes to go up a level of membership.

**Downgrades** are not possible once membership is issued unless a special request of AFA executive is granted.
