

CODE OF CONDUCT

The Canadian Fencing Federation is committed to the achievement of excellence in all aspects of its programming, performance and management. To support that commitment, the Federation has developed this Code of Conduct which sets forth the standards of behaviour and comportment expected of all members. The Canadian fencing community at large should read and become familiar with these principles. Fundamental to the achievement of higher standards is the understanding that we must first individually, and then collectively, take responsibility for our actions. Everyone has a role to play in making the sport of fencing strong and vibrant in this country. The principles which define the standards that the CFF has endorsed are outlined below:

Respect

- for rules and regulations, as defined by the CFF and our partners
- for officials, coaches and others in positions of authority
- for teammates and opponents
- for customs, practices and ideas which are different from our own.

Cooperation

- working and sharing with others toward a common purpose
- recognizing that more can be accomplished through teamwork
- treating people fairly and equitably
- building a strong Canadian fencing Team.

Commitment

- achieving success through planning and perseverance
- setting goals and working toward those goals
- becoming more determined and more focused than our competitors
- maintaining one's integrity in the face of challenges.

Pride

- participating with infectious enthusiasm
- experiencing the joy of achievement and accomplishment
- becoming a positive role model
- having pride in our sport and its people.

Canadian Fencing Federation Harassment Policy

Policy Statement

1. The Canadian Fencing Federation (CFF) is committed to providing a sport and work environment in which all individuals are treated with respect and dignity. Each individual has the right to participate and work in an environment which promotes equal opportunities and prohibits discriminatory practices.
 - Harassment is a form of discrimination. Harassment is prohibited by the *Canadian Charter of Rights and Freedoms* and by human rights legislation in every province and territory in Canada.
 - Harassment is offensive, degrading, and threatening. In its most extreme forms, harassment can be an offence under Canada's *Criminal Code*.
 - Whether the harasser is a director, supervisor, employee, coach, official, volunteer, parent, or athlete, harassment is an attempt by one person to assert abusive, unwarranted power over another.
 - The CFF is committed to providing a sport environment free of harassment on the basis of race, national or ethnic origin, colour, religion, age, sex, sexual orientation, marital status, family status, disability, or pardoned conviction.
2. This policy applies to all employees as well as to all directors, officers, volunteers, coaches, athletes, officials, and members of the CFF. The CFF encourages the reporting of all incidents of harassment, regardless of who the offender may be.
3. This policy applies to harassment which may occur during the course of all CFF business, activities, and events. It also applies to harassment between individuals associated with the CFF but outside CFF business, activities, and events when such harassment adversely affects relationships within the CFF's work and sport environment.
4. Notwithstanding this policy, every person who experiences harassment continues to have the right to seek assistance from their provincial or territorial human rights commission, even when steps are being taken under this policy.

Definitions

5. Harassment takes many forms but can generally be defined as comment, conduct, or gesture directed toward an individual or group of individuals, which is insulting, intimidating, humiliating, malicious, degrading, or offensive.
6. For the purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favours, or other verbal or physical conduct of a sexual nature when:

- submitting to or rejecting this conduct is used as the basis for making decisions which affect the individual; or
 - such conduct has the purpose or effect of interfering with an individual's performance; or
 - such conduct creates an intimidating, hostile, or offensive environment.
7. Types of behaviour which constitute harassment include, but are not limited to:
- written or verbal abuse or threats;
 - the display of visual material which is offensive or which one ought to know is offensive;
 - unwelcome remarks, jokes, comments, innuendo, or taunting about a person's looks, body, attire, age, race, religion, sex, or sexual orientation;
 - leering or other suggestive or obscene gestures;
 - condescending, paternalist, or patronizing behaviour which undermines self-esteem, diminishes performance, or adversely affects working conditions;
 - practical jokes which cause awkwardness or embarrassment, endanger a person's safety, or negatively affect performance;
 - unwanted physical contact, including touching, petting, pinching, or kissing;
 - unwelcome sexual flirtations, advances, requests, or invitations; or
 - physical or sexual assault.
8. Sexual harassment most commonly occurs in the form of behaviour by males toward females; however, sexual harassment can also occur as behaviour by females toward males, between males, or between females.
9. For the purposes of this policy, retaliation against an individual
- for having filed a complaint under this policy; or
 - for having participated in any procedure under this policy; or
 - for having been associated with a person who filed a complaint or participated in any procedure under this policy,
- will be treated as harassment, and will not be tolerated.

Responsibility

10. The CFF Vice-President Finance and Administration and Executive Director are responsible for the implementation of this policy. In addition, the CFF Vice-President Finance and Administration and Executive Director are responsible for:
- discouraging and preventing harassment within the CFF;
 - investigating formal complaints of harassment in a sensitive, responsible, and timely manner;
 - imposing appropriate disciplinary or corrective measures when a complaint of harassment has been substantiated, regardless of the position or authority of the offender;
 - providing advice to persons who experience harassment;
 - doing all in their power to support and assist any employee or member of the CFF who experiences harassment by someone who is not an employee or member of the CFF;
 - making all members and employees of the CFF aware of the problem of harassment, and in particular, sexual harassment, and of the procedures contained in this policy;
 - informing both complainants and respondents of the procedures contained in this policy and of their rights under the law;
 - regularly reviewing the terms of this policy to ensure that they adequately meet the organization's legal obligations and public policy objectives;
 - appointing harassment officers and being responsible to provide the training and resources they need to fulfil their responsibilities under this policy; and
 - appointing unbiased case review panels and appeal bodies and providing the resources and support they need to fulfil their responsibilities under this policy.
11. Every member of the CFF has a responsibility to play a part in ensuring that the CFF sport environment is free from harassment. This means not engaging in, allowing, condoning, or ignoring behaviour contrary to this policy. In addition, any member of the CFF who believes that a fellow member has experienced or is experiencing harassment is encouraged to notify a harassment officer appointed under this policy.
12. In the event that either the CFF Vice-President Finance and Administration or the Executive Director are involved in a complaint which is made under this policy, the CFF President shall appoint a suitable alternate for the purposes of dealing with the complaint.

Coach/Athlete Sexual Relations

13. The CFF takes the view that intimate sexual relationships between coaches and adult athletes,

while not against the law, can have harmful effects on the individual athlete involved, on other athletes and coaches and on the CFF's public image. The CFF therefore takes the position that such relationships are unacceptable for coaches employed by the CFF.

Should a sexual relationship develop between an athlete and a coach, the CFF will investigate and take action which could include reassignment, or if this is not feasible, a request for resignation or dismissal from employment.

Disciplinary Action

14. Employees or members of the CFF against whom a complaint of harassment is substantiated may be severely disciplined, up to and including employment dismissal or termination of membership in cases where the harassment takes the form of assault, sexual assault, or a related sexual offence.

Confidentiality

15. The CFF understands that it can be extremely difficult to come forward with a complaint of harassment and that it can be devastating to be wrongly convicted of harassment. The CFF recognizes the interests of both the complainant and the respondent in keeping the matter confidential.
16. The CFF shall not disclose to outside parties the name of the complainant, the circumstances giving rise to a complaint, or the name of the respondent unless such disclosure is required by a disciplinary or other remedial process.

Harassment Officers

17. The CFF shall appoint at least two persons, one male and one female, who are themselves members or employees of the CFF, to serve as officers under this policy. If more than two officers are appointed, the CFF shall ensure a gender balance.
18. The role of harassment officers is to serve in a neutral, unbiased capacity and to receive complaints, assist in informal resolution of complaints and investigate formal written complaints. In carrying out their duties under this policy, officers shall be directly responsible to the Vice-President Finance and Administration.
19. The CFF shall ensure that officers receive appropriate training and support for carrying out their responsibilities under this policy.

Complaint Procedure

20. A person who experiences harassment is encouraged to make it known to the harasser that the behaviour is unwelcome, offensive, and contrary to this policy.
21. If confronting the harasser is not possible, or if after confronting the harasser the harassment continues, the complainant should seek the advice of a harassment officer.

22. The harassment officer shall inform the complainant of:
- the options for pursuing an informal resolution of his or her complaint;
 - the right to lay a formal written complaint under this policy when an informal resolution is inappropriate or not feasible;
 - the availability of counselling and other support provided by the CFF;
 - the confidentiality provisions of this policy;
 - the right to be represented by a person of choice (including legal counsel) at any stage in the complaint process;
 - the external mediation/arbitration mechanisms that may be available;
 - the right to withdraw from any further action in connection with the complaint at any stage (even though the CFF might continue to investigate the complaint); and
 - other avenues of recourse, including the right to file a complaint with a human rights commission or, where appropriate, to contact the police to have them lay a formal charge under the *Criminal Code*.
23. There are three possible outcomes to this initial meeting of complaint and officer.
- (a) *The complainant and officer agree that the conduct does not constitute harassment*
- If this occurs, the harassment officer will take no further action and will make no written record.
- (b) *The complainant brings evidence of harassment and chooses to pursue an informal resolution of the complaint*
- If this occurs, the harassment officer will assist the two parties to negotiate a solution acceptable to the complainant. If desired by the parties and if appropriate, the harassment officer may also seek the assistance of a neutral mediator.
 - If informal resolution yields a result which is acceptable to both parties, the harassment officer will make a written record that a complaint was made and was resolved informally to the satisfaction of both parties, and will take no further action.
 - If informal resolution fails to satisfy the complaint, the complainant will reserve the option of laying a formal written complaint.
- (c) *The complainant brings evidence of harassment and decides to lay a formal written complaint*
- If this occurs, the harassment officer will assist the complainant in drafting a formal

written complaint, to be signed by the complainant, and a copy given to the respondent without delay. The written complaint should set out the details of the incident(s), the names of any witnesses to the incident(s), and should be dated and signed.

- The respondent will be given an opportunity to provide a written response to the complaint. The harassment officer may assist the respondent in preparing this response.

24. As soon as possible after receiving the written complaint, but within 21 days, the harassment officer shall submit a report to the Vice-President Finance and Administration and Executive Director, containing the documentation filed by both parties along with a recommendation that:

- No further action be taken because the complaint is unfounded or the conduct cannot reasonably be said to fall within this policy's definition of harassment; or

The complaint should be investigated further.

A copy of this report shall be provided, without delay, to both the complainant and the respondent.

25. In the event that the harassment officer's recommendation is to proceed with an investigation, the Vice-President Finance and Administration and Executive Director shall within 14 days appoint three members of the CFF to serve as a case review panel. This panel shall consist of at least one woman and at least one man. To ensure freedom from bias, no member of the panel shall have a significant personal or professional relationship with either the complainant or the respondent.

26. Within 21 days of its appointment, the case review panel shall convene a hearing. The hearing shall be governed by such procedures as the panel may decide, provided that:

- The complainant and respondent shall be given 14 days notice, in writing, of the day, time and place of the hearing.
- Members of the panel shall select a chairperson from among themselves.
- A quorum shall be all three panel members.
- Decisions shall be by majority vote. If a majority vote decision is not possible, the decision of the chairperson will be the decision of the panel.
- The hearing shall be held *in camera*.
- Both parties shall be present at the hearing to give evidence and to answer questions of the other party and of the panel. If the complainant does not appear, the matter will be dismissed. If the respondent does not appear, the hearing will proceed.
- The complainant and respondent may be accompanied by a representative or adviser.
- The harassment officer may attend the hearing at the request of the panel.

27. Within 14 days of the hearing, the case review panel shall present its findings in a report to the CFF Vice-President Finance and Administration and Executive Director, which shall contain:
 - a summary of the relevant facts;
 - a determination as to whether the acts complained of constitute harassment as defined in this policy;
 - recommended disciplinary action against the respondent, if the acts constitute harassment; and
 - recommended measures to remedy or mitigate the harm or loss suffered by the complainant, if the acts constitute harassment.
28. If the panel determines that the allegations of harassment are false, vexatious, retaliatory, or unfounded, their report shall recommend disciplinary action against the complainant.
29. A copy of the report of the case review panel shall be provided, without delay, to both the complainant and the respondent.
30. When determining appropriate disciplinary action and corrective measures, the case review panel shall consider such factors as:
 - the nature of the harassment;
 - whether the harassment involved any physical contact;
 - whether the harassment was an isolated incident or part of an ongoing pattern;
 - the nature of the relationship between complainant and harasser;
 - the age of the complainant;
 - whether the harasser had been involved in previous harassment incidents;
 - whether the harasser admitted responsibility and expressed a willingness to change; and
 - whether the harasser retaliated against the complainant.
31. In recommending disciplinary sanctions, the panel may consider the following options, singly or in combination, depending on the severity of the harassment:
 - verbal apology;
 - a written apology;
 - a letter of reprimand from the sport organization;

- a fine or levy;
 - referral to counselling;
 - removal of certain privileges of membership or employment;
 - demotion or a pay cut;
 - temporary suspension with or without pay;
 - termination of employment or contract; or
 - expulsion from membership.
32. Where the investigation does not result in a finding of harassment, a copy of the report of the case review panel shall be placed in the harassment officer's files. These files shall be kept confidential and access to them shall be restricted to the CFF Vice-President Finance and Administration, the Executive Director, and harassment officers.
33. Where the investigation results in a finding of harassment, a copy of the report of the case review panel shall be placed in the personnel or membership file of the respondent. Unless the findings of the panel are overturned upon appeal, this report shall be retained for a period of ten years, unless new circumstances dictate that the report should be kept for a longer period of time.

Procedure Where a Person Believes That a Colleague Has Been Harassed

34. Where a person believes that a colleague has experienced or is experiencing harassment and reports this belief to a harassment officer, the officer shall meet with the person who is said to have experienced harassment and shall then proceed in accordance with Section 22.

Appeals

35. Both the complainant and the respondent shall have the right to appeal the decision and recommendations of the case review panel. A notice of intention to appeal, along with grounds for the appeal, must be provided to the chairperson of the case review panel within 14 days of the complainant or respondent receiving the panel's report.
36. Permissible grounds for an appeal are:
- the panel did not follow the procedures laid out in this policy;
 - members of the panel were influenced by bias; or
 - the panel reached a decision which was grossly unfair or unreasonable.
37. In the event that a notice of appeal is filed, the CFF Vice-President Finance and Administration

and the Executive Director shall together appoint a minimum of three members to constitute the appeal body. This appeal body shall consist of at least one woman and at least one man. These individuals must have no significant personal or professional involvement with either the complainant or respondent, and no prior involvement in the dispute between them.

38. The appeal body shall base its decision solely on a review of the documentation surrounding the complaint, including the complainant's and respondent's statements, the reports of the harassment officer and the case review panel, and the notice of appeal.
39. Within ten days of its appointment, the appeal body shall present its findings in a report to the CFF Vice-President Finance and Administration and Executive Director. The appeal body shall have the authority to uphold the decision of the panel, to reverse the decision of the panel, and/or to modify any of the panel's recommendations for disciplinary action or remedial measures.
40. A copy of the appeal body's report shall be provided, without delay, to the complainant and respondent.
41. The decision of the appeal body shall be final.

Review and Approval

42. This policy was approved by the CFF Board of Directors on April 13, 1996.
43. This policy shall be reviewed by the Vice-President Finance and Administration and Executive Director on an annual basis.
