Kelly-Ann Paul - Sr VP Games Delivery, Canada Games Council  
Kali MacAdam - Coordinator, Sport Services, Canada Games Council  
Jacob McInnis - Coordinator, Games Services, Canada Games Council

---

The Canada Games Council (CGC) is pleased to announce that the sports of Fencing and Table Tennis have been added to the 2023 Canada Winter Games sport program.

As a result of Artistic Swimming moving from the 2023 Canada Winter Games to the 2025 Canada Summer Games, quota became available to add sports to the 2023 Games. Through an evaluation of existing sport selection data and consultation with the 2023 Canada Games Host Society, the Canada Games Council Sport Committee has made the decision to add Fencing and Table Tennis to the program.

An updated team size chart reflecting this update can be found [here](#). The CGC website will be updated to reflect the 2023 Canada Winter Games sport program in the coming months.

Any questions related to this update to the sport program can be directed to myself, Aaron Bruce ([abruce@canadagames.ca](mailto:abruce@canadagames.ca)).
